# Play Day Out

## About Our Program

Play Day Out is a wonderful program for young children that began over 20 years ago.

Our philosophy is to provide a safe, nurturing and stimulating environment for children, and to enable them to have experiences which promote their social, emotional, and physical development through play.

Children must be at least two years of age to enter our program. The Program begins at 9:00 am and ends at 1:30 pm. Children bring their own lunches from home and enjoy learning how to eat with friends.

Our program provides fun-filled days of developmental activities and unique enrichment opportunities that stimulate curiosity and developing interests.
